

JUNIOR LANDSCAPE DESIGNER

New Grad-2 Yrs.

At Viridian Studios, our philosophy is rooted in integrity, collaboration, and a people-first approach. We foster a culture where every voice is valued, creativity thrives, and innovation leads the way. We build trust with our clients and partners through open communication and a shared commitment to creating meaningful landscapes that connect people, place, and purpose.

We are thrilled to offer an exciting opportunity for a Junior Landscape Designer to join our dynamic and growing team. This role is perfect for recent graduates or individuals with up to two years of professional experience who are eager to learn, grow, and contribute to diverse and impactful projects. As a boutique firm, you will have the unique opportunity to engage in every aspect of the design process, allowing for accelerated professional growth in a supportive and collaborative environment.

JOB SUMMARY

The Junior Landscape Designer will collaborate with our team to develop creative, high-quality designs across a variety of project types. This role offers the chance to work in a fast-paced, fun environment where adaptability and innovation are encouraged. You will gain hands-on experience and the ability to shape your career path while contributing to the success of our team and projects.

PRIMARY RESPONSIBILITIES

- Assist in the development of landscape architecture concept plans and construction documents.
- Create detailed planting plans, hardscape designs, and construction details under guidance of senior team members.
- Conduct site analysis and research to inform thoughtful design solutions.
- Participate in site visits to assess existing conditions and monitor project progress.
- Stay informed about industry trends and best practices to continually enhance your skills and knowledge.

REQUIRED SKILLS AND QUALIFICATIONS

- Bachelor's degree in landscape architecture or a related field from an accredited university.
- 0-2 years of professional experience in landscape architecture.
- Strong design, graphic, and communication skills (both verbal and written).
- Proficiency in AutoCAD, SketchUp, Adobe Creative Suite, and Microsoft Office.
- Knowledge of plant materials and an understanding of basic construction methods.
- Eagerness to learn, adapt, and contribute to a team-focused environment.

WHY JOIN VIRIDIAN STUDIOS?

We offer competitive compensation, professional development opportunities, and a work environment that emphasizes collaboration and work-life balance. Benefits include:

- Comprehensive and affordable Health Insurance Benefits, 50% paid by company.
- 401(k) retirement plan with employer contributions – *Coming in 2026!*
- Generous Paid Time Off (PTO) – based on professional tenure, and 10 paid holidays.
- Opportunities for professional growth, including training, certifications and leadership roles.
- Team outings and a culture that celebrates creativity and connection.
