

LANDSCAPE DESIGNER

4-7 YEARS

At Viridian Studios, our philosophy is rooted in integrity, collaboration, and a people-first approach. We foster a culture where every voice is valued, creativity thrives, and innovation leads the way. We build trust with our clients and partners through open communication and a shared commitment to creating meaningful landscapes that connect people, place, and purpose.

We are excited to add an experienced Landscape Designer to our talented team. The ideal candidate will have 4-7 years of professional experience, bring creativity and technical expertise to a diverse portfolio of projects, and share our passion for creating purposeful, enduring landscapes.

JOB SUMMARY This is a ground-floor opportunity to join Viridian Studios during an exciting period of strategic growth. We are looking for individuals with an entrepreneurial spirit and ambitions to grow their careers into leadership roles as we expand and evolve. The Landscape Designer will collaborate with our project team to develop and deliver creative, high-quality designs. The role includes responsibilities across all phases of project development, including schematic design, design development, construction documentation, and administration.

PRIMARY RESPONSIBILITIES

- Develop and refine landscape architecture concept plans and prepare construction documents.
- Draft and prepare detailed planting plans, hardscape designs, and construction details.
- Conduct research and site analysis to inform thoughtful design solutions.
- Participate in site visits to assess existing conditions and monitor project progress.
- Coordinate with clients, architects, engineers, and local officials to meet project requirements.
- Stay informed about industry trends and best practices to continually elevate our work.

REQUIRED SKILLS AND QUALIFICATIONS

- 4-7 years of professional experience in landscape architecture.
- Strong design, graphic, and communication skills (both verbal and written).
- Ability to manage client relationships and work collaboratively within a team.
- Proficiency in AutoCAD, SketchUp, Adobe Creative Suite, and Microsoft Office. Familiarity with LandFX a plus.
- Knowledge of plant materials, construction methods, and zoning requirements.
- Bachelor's degree in landscape architecture or a related field from an accredited university.

WHY JOIN VIRIDIAN STUDIOS?

We offer competitive compensation, professional development opportunities, and a work environment that emphasizes collaboration and work-life balance. Benefits include:

- Comprehensive and affordable Health Insurance Benefits, 50% paid by company.
- 401(k) retirement plan with employer contributions – *Coming in 2026!*
- Generous Paid Time Off (PTO) – based on professional tenure, and 10 paid holidays.
- Opportunities for professional growth, including training, certifications and leadership roles.
- Team outings and a culture that celebrates creativity and connection.
